授業目的

CEP5 and CEP6 will help you to develop critical thinking skills in order to deepen your understanding on global issues. It will also enable you to engage in cross-cultural understanding through a high level of proficiency in English.

各回毎の授業内容

1. Overview

In each unit of the course, you will first watch a video clip. Then you will go through two listening practices, each giving an opportunity for language development and critical thinking. All these culminates in a speaking task for which all data gathering and preparation are done independently by the learner.

2. Units

The units to be covered will depend on which CEP5/6 class you are in. Your teacher will make an announcement in the first class.

3. Self-study

This course requires 30 minutes of preparation and 30 minutes of revision per lesson. These should include self-study of the vocabulary, grammar and common oral expressions in each unit.

成績評価方法

1. Grading

CEP5 and CEP6 observe a 60-40 rule: 60% of your final grade will come from class standing and 40% will come from major assessments. The specific components are as follows:

CLASS STANDING (60%)

The details on specific components will be announced in the first class.

MAJOR ASSESSMENTS (40%)

1. Mid-term assessment - 20%
2. Final assessment - 20%

2. Feedback

Before, during and after the semester, you will receive feedback about your performance in class through face-to-face and written methods.

教科書参考書

- The main textbook will depend on which CEP5/6 class you are in. Your teacher will make an announcement in the first class.
- Handouts
- Work sheets
- Multimedia and library resources

受講に当たっての留意事項

- You must attend at least 80% of total CEP 5/6 classes to pass this course.
- You must earn a final grade of 60% or more to pass this course.
- Other class rules will be announced on the first day of the semester.

学習到達目標

At the end of this course, you will be able to:

- Employ critical thinking skills to arrive at own opinions;
- Explain logically the reasons behind the opinions;
- Apply the language proficiency and critical thinking skills for academic success and cross-cultural understanding in general.
