A satellite map of a coastal region in Japan. The map shows a large body of water on the left and a landmass on the right. The landmass features a coastline with a bay and several rivers. A yellow rectangular box is superimposed over the center of the image, containing the text "What is there around our University?". In the bottom right corner, there are navigation controls for a map application, including a compass, a person icon, a 2D/3D toggle, and a globe icon. At the bottom center, the text "Google CA" is visible. At the bottom right, there is a data string: "Data Japan Hydrographic Association カメラ: 59 km 37°56'10"N 138°33'32"E -376 m 100%".

What is there around our University?
