授業の目的	<p>Students in Integrated English I (Advanced Basic English) will work to develop their reading, writing, speaking, and interpersonal skills. Students will expand their vocabulary, refine their reading ability, and engage in discussions as well as scholarly debates. Cooperative learning (group work) with overseas students &amp; teaching assistants is a crucial part of this class and will help develop a student's communicative skills in addition to improving collaboration techniques.</p> <p>A selection of topics linked to positive and negative peace will be used to develop their English language resources and interest in the values and actions that allow people to flourish in their globally interlinked societies. Students will practice good writing techniques by using a variety of skills. Through this combination of activities, members of this class will gain greater skills to draw upon when reading and writing.</p>
